ACKNOWLEDGEMENT

The successful completion of any task is incomplete and meaningless without giving any due credit to the people who made it possible, without which the project would not have been successful and would have existed in theory

First and foremost, we are grateful to **Dr. R.C Singh**, HOD, Department of Design, Delhi Technological University, and all other faculty members of our department for their con-stant guidance and support, constant motivation and sincere support and gratitude for this project work. We owe a lot of thanks to our supervisor, **Prof Utkarsh Chaudhary**, Department of Design, Delhi Technological University, for igniting and constantly motivating us and guiding us in the idea of a creatively and amazingly performed Major Project in undertaking this endeavour and challenge and also for being there whenever we needed his guidance or assistance.

We would also like to take this moment to show our thanks and gratitude to one and all, who indirectly or directly have given us their hand in this challenging task. We feel happy and joyful and content in expressing our vote of thanks to all those who have helped us and guided us in presenting this project work for our Major project. Last, but never least, we thank our well-wishers and parents for always being with us, in every sense and constantly supporting us in every possible sense whenever possible.
